## Sanitizing solution

Thanks to the partnership with a company leader in the production of sanitisers a cleaning liquid has been selected which has no contraindications on the fleece and on the structure of Mat.en's carpets.

## HYGIENIC and SANITIZING

*The high content of alcohol (75% vol) sanitizes killing germs and bacteria that can be nested on the surface of the mat and on the sole of the shoes.*

## SCENTED

*Thyme essential oil, as well as having a natural antiseptic, gives a pleasant scent to the carpet also removing any bad odours.*
